Course Descriptions

WE LEAD Grounded provides women with data, research and history as a framework for understanding the complexities of women in leadership. WE LEAD Grounded is a pre-requisite for WE LEAD Aware.

WE LEAD Grounded Learning Outcomes:

- Develop an understanding of women's leadership
- Appreciate why women's leadership is needed in educational leadership along with male leadership
- Better understand your own leadership to develop skills to address leadership complexities
- Understand the barriers for women in leadership and learn to navigate them

WE LEAD Aware helps women understand their own leadership styles and provides them with a plan and tools to navigate the world of women in educational leadership. WE LEAD Grounded is a pre-requisite for Aware.

WE LEAD Aware Learning Outcomes:

- Develop your leadership skills and consider strengths and areas for improvement
- Create a personal action plan for effective leadership
- Explore how to effectively communicate, negotiate, have difficult conversations, and find opportunities for support and continuous improvement as a female leader

WE LEAD Prepared is a stand-alone course that provides the nuts and bolts of the job search, acquisition, and negotiation process.

WE LEAD Prepared Learning Outcomes:

- Learn how to transition successfully to the next position starting with where you are currently working.
- Develop an understanding of the hiring process and employer, community, and stakeholder expectations.
- Evaluate the risks and benefits of leadership decisions, job opportunities, contract terms, and life transitions.

Benefits of Cohort Learning
